Message From Lieutenant Governor Anthony Pappas

Greetings Queens West! What an exciting month this has been! As is tradition with Kiwanis, October was a very busy month. I attended 11 installation meetings, including Sunnyside's anniversary and Ridgewood's day at Belmont. Thank you all for your hospitality, I enjoyed getting to visit every club and break bread with you and your members. I also attended Astoria/LIC's Cocktail Party and held my first divisional meeting. I relaunched our newly revamped Division website www.queenswestkiwanis.org. Please check it out and share with your friends! I had a wonderful time participating in Glendale's Halloween parade. The community really got involved and enjoyed the evening! I was honored to install a few new members during some of the club installations as well, it's always great to see our membership grow and I was happy to be able to welcome them into our Kiwanis family. Keep up the good work!

Going back to my SLP roots, I had the pleasure of joining a few of my fellow Kiwanis friends and Circle K Alumni in attending the Circle K NY Speaking conference in Lake George for the first time in many years. It's always great to see our Sponsored youth in action and Governor Ryan and his board did an amazing job with the conference! I am also doing my part to collect Hurricane relief items for Georgia and Florida within the Division, which I am bringing up to the K-Family weekend being held at Villa Roma this year from November 9th-11th. I look forward to seeing my fellow District board members and K-Family counterparts from Key Club and Circle K for what is sure to be a fun and educational weekend!

Here are some reminders:

Can Tabbing: Keep collecting those can tabs for Ronald McDonald House. Bring them to the Divisional meetings so we can add them to our giant house and see our progress. Remember, we will be bringing them with us when we visit the house on December 22nd to serve dinner.

Project Eliminate: The Eliminate grid has begun. \$20 a box gets you entered to win and helps save babies and their mothers. Let me know what numbers (1-100) you want ASAP!

District Projects (Governor and First Lady's Project): This year's Governor's project is to send 100 military kids from Fort Drum to Kamp Kiwanis. I hope every club can participate in this. This year's First Lady's project is to collect craft supplies for Kamp Kiwanis. I will be collecting them until the Mid-year conference in February and then bring them up to first lady Bonnie.

Governor's Visit: I am still looking for ideas for this year's Governor's visit. Remember, I would like to incorporate either an already existing event or something new that we can do as part of the visit, so if your club has ideas, let me know.

Fellowship: Please continue to interclub! I am happy to see that many of you came out to support other club installations. Let's

keep that up and keep supporting each other's events. It's fun and a great way to learn from each other and is always appreciated!

Divisional Meetings: If your club would like to run a program during a Division meeting please contact me so I can add you to the agenda.

Newsletter & Membership rosters: Please feel free to submit articles to me for the Newsletter. It's very easy to write up a short article on an event that you ran or have coming up. We can all learn from each other's events and remember that the newsletter belongs to all of us and content should reflect that. Also, please have your secretaries update your membership rosters and send them to Jackie. If you have members that did not get last month's issue, let us know so we can update their addresses. Also, if your club adds or deletes members after that, send us those changes so we can keep the list up to date.

T Shirts: I am still working on designing T shirts for the division. Please let me know how many in your clubs would be interested and what sizes each club needs.

Happy Thanksgiving to you and yours as we remember our communities at this special time of the year!

Yours in service,

Lt. Governor Anthony 2018 -2019

Circle K

Hello! My name is Kristian Mosquito. I attend the City College of New York, and I serve as the Circle K District Secretary and as the Empire Division Liaison. While District Secretary involves all secretaries statewide, being Empire Division Liaison means I serve as a temporary Lieutenant Governor for the Circle K Empire Division (which coincides with the Kiwanis divisions of Brooklyn, Queens West, and Queens East).

The Empire Division contains three clubs: Queens College, St. John's University, and Vaughn College. I'll be working with these clubs until a new Lieutenant Governor is appointed. My goals are to grow QC's membership, reactivate St. John's in the spring semester, and connect Vaughn College to the District.

Members from QC and St. John's attended our first District conference, called DLSSP, at Kamp Kiwanis. In addition, QC has held regular meetings, created self-care awareness posters, and plans on volunteering at the Bowery Mission in December.

If you have any questions about Circle K, please let me know. I'm excited to work with all of you in the upcoming future!

Yours in service, fellowship, and leadership
Kristian Mosquito

Queens West Kiwanis Protocol

Protocol is good manners and etiquette observed during meetings and special courtesy, dignity and respect shown for visitors, especially Kiwanis District & International Officers. The following list is intended for your information and guidance.

The Official Visit(s) of the Lieutenant Governor to a club are important and should be used as an educational meeting. The club President should set aside at least three (3) meeting for the Lieutenant Governor as a speaker. (A) Installation of Officers (B) Official Lieutenant Governor visit (C) Board of Directors Meeting.

The club President should always show a cordial relationship with the Lieutenant Governor.

When the Lieutenant Governor visits each club, the club assumes the expense of his/her meal. Complimentary meal arrangements should be made prior to the Lieutenant Governors arrival.

Visiting Kiwanis Leaders (Governor, Lieutenant Governor, etc.) should be seated at the head table and recognized once during the meeting.

When both the District Governor and Lieutenant Governor are present at a club meeting, the club President introduces the Lieutenant Governor who, in turn, introduces the District Governor.

General introductions include interclub delegations, visiting Kiwanians, potential members, representatives of sponsored youth programs and other guests.

Each club President or Presiding officer should have a timed agenda for each meeting. All meeting should start and end on time. All speakers should be informed of club procedures and the time limit for their presentation.

2018-19 NYD Governor's Project

Military Children to Kamp

The 2018-19 Governor's Project is to send 100 additional military kids from Fort Drum and other military bases to Kamp Kiwanis.

This will require approximately \$46,500. It's approximately \$180 per club. For clubs that currently send Military Children, this is "Up and Beyond," your current commitment. Provide "additional" funding for military children from your respective areas.

Membership

This year, you can be a distinguished Kiwanian by sponsoring two new members. Bring in two new members and the Distinguished Chairperson Doris Mellina will get your certificate and distinguished pin out right away. I want you to wear your distinguished pin all year! It is something to be proud of! That's it: **TWO NEW MEMBERS.**

Clubs that participate in the Governor's Project will receive a banner patch. Every club with an increase in membership gets a banner patch.

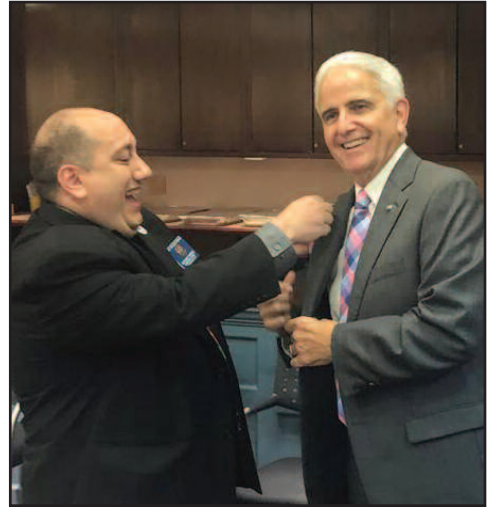

Clubs please note that in order to receive the distinguished pin and certificate for membership you must submit the form, which is on the NY District website, to District Chairperson Doris Mellina.

QUEENS BOULEVARD CLUB, IT'S MY PARK DAY AT HOOVER PARK

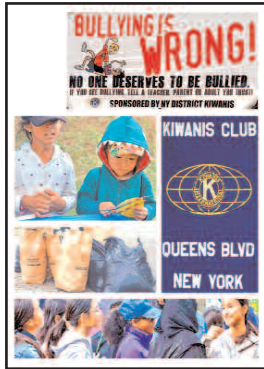

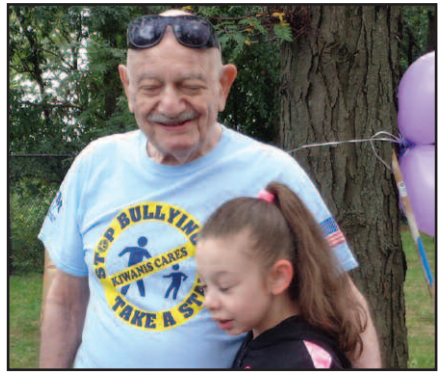

The time to plant the daffodils has become our tradition. This year on October 6, 2018, working in conjunction with NYC Partnerships for Parks, we invited the community to Hoover Park to plant daffodil bulbs, remove fallen branches, debris, and beautify this neighborhood park.

A group of about 140 volunteers, including Division 8 and 8A Key Club members, students at local schools, parents, grandparents, preschoolers, etc. arrived to tackle the task. Kiwanis N.Y. State District Anti-Bullying leader, Keith Cummings, brought educational and informational materials; staff from Councilman Rory Lancman's and Assemblyman David Weprin's office attended.

Local businesses, Alba Pizzeria and Pani Dolci Bakery, generously donated pizza and desert sweets to sustain the volunteers.

In addition to planting and cleanup, participants enjoyed creative art, learning new craft skills and the challenge of attacking the colorful piñata. The day proved to be more than the time to plant the daffodils, but also a time to meet and make new friends, share work, and play the spirit of volunteerism and a chance to spread our Kiwanis message. As the event came to a close, students were given Certificates of Appreciation for their service to the community.

A continual refrain was, "Thanks for this opportunity. I'm going home feeling I did something worthwhile today, and - that's what it's all about." Sylvia Sherman

My Fellow Kiwanians

As we begin our new year, 2018/2019, under Governor Hank, From Good to Great, as First Lady my project will be **KRAFTS for KAMP!** I am hoping this great NY District will help me in getting as many crafts as possible for the camp. They are in dire need of certain objects. If you consider how many children there are at camp on a daily basis and all of the different ages that do crafts, at all different times throughout the day, you can see why they need our help.

Here is a list of items needed. Each LT Governor will be collecting these items from your clubs or individuals within your Division. They will be brought to the Mid-Winter Conference in February. During Saturday at the Conference, we will box them up and DPG Joe Aiello along with others will transport them to the camp before the 2019 camping season begins.

With any project, it all becomes a success with you, your members, clubs and divisions help. On behalf of the Governor, myself and the camp, we thank you for your support.

Let us make a difference.

Thank you,
Yours in service,
First Lady 2018-2019
Bonnie Baker
