**BOB KUEBER, LIEUTENANT GOVERNOR 2015-2016**

Queens West Division  
New York District, Kiwanis International

October 2015

Volume 18 • Issue 1

Message From Lieutenant Governor Bob Kueber

To my friends in Queens West Division, welcome to another year of service. I hope everyone is feeling well and ready to get to work, because I am looking forward to getting started as your Lt Governor this year. But, first things first. I want to congratulate our Past Lt Governor JP DiTroia for an excellent year. Queens West accomplished so much, and every club had a hand in our success. Leadership shows.

Every year, we focus on growing membership, and this year will be no different. What will be different this year is the Formula, a program Kiwanis International believes will make it easier for clubs to grow and retain their membership. Our program for our first Division Meeting will be the Formula.

Finally, I want to focus on the fellowship that, I believe, makes us stand out from other organizations. We are always at our best when we work together, such as our service to the Ronald McDonald House. They have a new freezer, and will receive a new ice maker for the young patients at their home, thanks to the generosity of our Division Foundation, which all of our clubs support, and a generous donation from the Glendale club. When we join together to serve, it does not matter if your club is large or small. What matters is that we get the job done. And in that regard, we have a great record.

I am looking forward to meeting with all your clubs, and I will do everything I can to make this a successful year for your club and our Division. That is my commitment to you.

See you at our first Division meeting, Monday, October 19.

Lt. Gov Bob Kueber, 2015-2016  
mrbob829@gmail.com

This year should be thought of as “Kiwanis 101” for several reasons. Last year, we celebrated the 100th anniversary of our great organization, and our District under Governor Eric Paul was very effective by any measurement. This year, our new Governor Forbes Irvine wants every member of our District to focus on the basics that make us so valuable to our communities. The club is the most important component in our organization, and no one knows what our neighborhoods need better than the local club, because they are part of that neighborhood. Clubs working together to provide the programs our children need is the key to our success.

For years, Queens West has strongly supported our foundations, whether Kamp Kiwanis, Pediatric Lyme Disease, Disaster Relief or the Kiwanis Pediatric Trauma Center. It’s called “Taking Care of Your Own”. Our continued support of these vital programs will insure their continued health. This year, we will also be hearing a lot about anti-bullying awareness, heroin and prescription drug abuse, and cardiac testing for youth athletes, all important concerns to Governor Forbes. We will be having these discussions at our monthly Division meetings.
