CAROL MASIELLO, LIEUTENANT GOVERNOR 2017-2018

Queens West Division New York District, Kiwanis International

January 2018

Volume 20 • Issue 4

Message From Lieutenant Governor Carol Masiello

As I write this message, the holiday season is coming to a close. Gifts have been unwrapped, pictures with Santa have been taken and tree lightings have been completed. As we begin to take down our holiday decorations, we can reflect on all of the memorable events and initiatives Kiwanians have been involved with in 2017.

In the past year Queens West Kiwanians have touched so many lives. We have stocked food pantries, raised funds and given gifts to local hospitals, supported the Kiwanis Pediatric Trauma Center, sent over 80 kids to Kamp Kiwanis, collected and sent a truckload of disaster relief items to hurricane victims, and provided support for our Veterans and our local schools. We worked diligently with all of our Service Leadership Programs, providing our young people with both financial support and mentoring.

I had the pleasure of attending many holiday events throughout the Division and completed all of the scheduled installations, some of which were combined with holiday parties. It surely was a festive season! But now it is time to buckle down and begin to make plans for our 2018 activities. The Glendale Club has already gotten a head start by re-instating their once active Circle K Club at Queens College. It took some extra work on the part of the Glendale Club, the college advisor and the students, but the Queens College Circle K is up and running again!

As we head into 2018, let's all resolve to continue our successful projects and perhaps add a few more. Let's resolve to invite more people to join our Clubs. As the old saying goes, "Many hands make light work". Kiwanis needs to continue to seek out new members so that all of the positive things we do can continue. Our communities count on us for support in so many ways.

Finally, I would like to mention a few scheduled events so you can save the dates. First of all, Kamp Kiwanis will be celebrating its 50th anniversary on March 4. The event will take place at the Crest Hollow

Country Club. Secondly, The Queens West Division's Governor's visit has been scheduled for Sunday, May 6. It will be a Sunday Brunch event at Terrace on the Park. More details will follow in the coming weeks.

I hope to see you at our Division meeting on Monday, January 15, at Sidetracks. Stay warm!!!

Kamp Kiwanis®

NY District Kiwanis Foundation, Inc.

A remarkable moment happened in 1968, when the Foundation and Kamp Kiwanis was officially founded. A Kiwanian paid \$1 to purchase and revive from the Kiwanis Club of Rome the summer camp property now known as Kamp Kiwanis. Located in the foothills of the Adirondack Mountains Kamp Kiwanis's residential summer camp program became a reality. Since 1971 Kamp Kiwanis has continuously been providing an outdoor learning opportunity to the economically disadvantaged youth of New York and in 1989 it proudly began serving both adults and children with special needs.

Kamp Kiwanis provides creative and immersive group programming in sports, outdoor recreation and the Arts. Kamp's programming is non competitive and has a heavy emphasis on character development, problem solving and relationship building. Kamp Kiwanis mainstreams all children whilst still ensuring each individual has the support and direction to learn, grow and play at their own rate.

With 10's of thousands of kampers served to date, Kamp Kiwanis strives to continue its long tradition of excellence. In doing so it will continue to foster positive growth and development for the youth and those with special needs residing here in New York. Together as Kiwanians, serving one child and one community at a time.
